6:35 Meeting Start by KG5U

- 30' crankup tower/trailer successfully gets licensed
License Plate 046 787N
2-4 weeks before title is issued
Went through Beaumont was more effective than Harris county
\$700+ incurred cost
Marathon Petroleum 30' crankup (thanks Tanner)
Jerry N5FWB and Keith KG5HOK great effort to get it done!
- George AD5CQ "Show and Give"
APC UPS offer for club?
May need new battery
last tested 2017
No taker!
- Tyler KJ5MCS Suggested use of Discord server
Agreed to provide Discord 101 pitch for November meeting
- Dave W5OC items
 1. Proposal for club to buy Enamel Pins of W5RRR logo
Passed out enamled pins (15)

- Club approved to buy remaining pins (<\$300)
- 2. Proposal for club to approve conducting Morse Code classes
While student interns disallowed to organize on their own during shutown
KG5URA to lead
- 3. Asking for members to solicit for JOTA participant Oct 18
- 4. Balloon tracking updates: KI5CWE-1, AB5SS-163
- 5. Encouragement to get involved with SOTA/QRP and Microwaves
- Jayant KG5LJZ
 - 1. Reminder: MS150 april 25-26 looking for ham support
 - 2. New group: HoustonPOTA
- David KB5PGY
 - Reminder: Safety and Health Day setup Oct 22
